Heritage conservation

Policy application
This policy applies to all applications under the Heritage Overlay (HO).

Strategies
Discourage the demolition of significant or contributory heritage places.
Support the removal of alterations that do not contribute to the significance of a heritage place.
Support subdivision or consolidation that complements the significance of a heritage place.
Support development that responds to the historic character, form and context of the heritage place and makes a positive contribution through innovative design.
Encourage the restoration, adaptation and reconstruction of heritage places in a manner that does not detract from the significance of the heritage place.
Design development to protect the health of the mature trees in High Street, Inverleigh.
Limit the number of signs on heritage places.
Encourage signs to be designed and located so that they do not adversely affect the significance of heritage places.

Policy guideline
Consider as relevant:
- Discouraging the use of Zincalume roofing material where this is not characteristic of the heritage place.
