GC172**Application requirements**

The following application requirements apply to an application for a permit under Clause 32.09, in addition to those specified in Clause 32.09 and elsewhere in the scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority:

- Environmental Site Analysis which clearly identifies topography, drainage lines, waterways, bushfire hazard and vegetation.
- Neighbourhood Character Assessment which details the existing built form, streetscape character, heritage and landscape values of the site.

ARARAT PLANNING SCHEME

- When any lot proposed to be created is less than 500m², a subdivision application must be accompanied by a development application or approved planning permit plans for the site for the construction of dwellings.

Decision guidelines

The following decision guidelines apply to an application for a permit under Clause 32.09, in addition to those specified in Clause 32.09 and elsewhere in the scheme which must be considered, as appropriate, by the responsible authority:

- How the environmental character and features have been incorporated into the development.
- The need to protect and enhance the neighbourhood character including the retention of heritage features, native vegetation, natural environments, vistas and the measures to minimise any negative impact.
