SCHEDULE 3 TO CLAUSE 43.02 DESIGN AND DEVELOPMENT OVERLAY

Shown on the planning scheme map as DDO3.

NOISE ATTENUATION MEASURES ALONG THE CALDER HIGHWAY BETWEEN FARADAY AND RAVENSWOOD

1.0 Design objectives
To ensure that any new development of land near the future alignment of the new Calder Highway is undertaken with appropriate noise attenuation measures to minimise the impact of traffic noise on noise sensitive activities.

2.0 Buildings and works
The following buildings and works requirements apply to an application to construct a building or construct or carry out works:

- Any buildings and works associated with a use listed below should include noise attenuation measures to the satisfaction of the responsible authority following consultation with the Roads Corporation.
  - Accommodation.
  - Child care centre.
  - Education centre.
  - Office.
  - Place of assembly.
  - Retail premises.
  - Art and craft centre.
  - Display home.
  - Funeral parlour.
  - Hospital.
  - Research centre.
  - Veterinary centre.
  - Winery.

3.0 Subdivision
None specified.

4.0 Signs
None specified.

5.0 Application requirements
None specified.
Decision guidelines

The following decision guidelines apply to an application for a permit under Clause 43.02, in addition to those specified in Clause 43.02 and elsewhere in the scheme which must be considered, as appropriate, by the responsible authority:

- Whether the proposed measures are satisfactory taking into account any appropriate Australian Standard in relation to road traffic noise intrusion.
- Whether the development can be located away from the highway.
- Whether the development can take advantage of natural noise attenuation features such as hills where possible.
