

SCHEDULE TO CLAUSE 35.06 RURAL CONSERVATION ZONE

Shown on the planning scheme map as **RCZ**.

CONSERVATION VALUES

To recognise the fragile nature of the sand dunes that occupy the majority of the land and its clear history of substantial erosion and to acknowledge that future erosion and inundation by the sea is expected to increase.

Future use and development of this land must acknowledge the fragile and eroding condition of the land.

To recognise that the rear low lying areas of the site adjacent to Griffiths Street are subject to flooding from the Moyne River.

1.0

Subdivision and other requirements

| | Land | Area/Dimensions/Number |
|--|----------------|------------------------|
| Minimum subdivision area (hectares) | None specified | None specified |
| Maximum floor area for which no permit is required to alter or extend an existing dwelling (square metres) | None specified | None specified |
| Maximum floor area for which no permit is required to construct an out-building associated with a dwelling (square metres) | None specified | None specified |
| Maximum floor area for which no permit is required to alter or extend an existing building used for agriculture (square metres). | None specified | None specified |
