## **Tourism - Hume**

### **Strategies**

Support opportunities for nature-based tourism throughout the region, including in wetlands of national and regional significance, such as the Winton Wetlands, the Barmah Forest and the lower Ovens River.

Support large commercial tourism uses in urban locations or rural areas of lower agricultural value and away from areas identified as strategic agricultural land.

Facilitate rural tourism activities that support agricultural enterprises such as cellar door and farm gate sales and accommodation in appropriate locations.

Support the region's network of tracks and trails and activities that complement and extend their use.
